CARE AND MAINTENANCE INSTRUCTIONS

Please do not use for the next 48 hours

GENERAL CLEANING INSTRUCTIONS

For normal everyday cleaning, we suggest the use of mild soap and a soft wash cloth. Do not use scouring pads or abrasive cleaners, as they will dull the surface. Always read individual cleaning product ingredients to make sure they do not contain abrasive agents.

RECOMMENDED CLEANERS	DO NOT USE
Scrub Free	Steel wool
Formula 409	Wire brushes
Mr. Clean	Acetone
Glass Plus	Dyes or inks
Simple Green	Comet or Ajax
Bon Ami	Lysol disinfectant
Dishwashing soap (liquid)	Bleach
Diluted Spic & Span	
Windex	

SPECIAL INSTRUCTIONS

- Do not use mats with suction pads. Using these mats will automatically cancel any warranty.
- Do not use the surface for a minimum of 48 hours after refinishing has been completed.
- Do not place heavy objects on counter tops for 3 days.
- Do not allow water to remain on the refinished area for an extended period of time.
